2 QUEEN BEDS

UPGRADE OPTION - *BASED ON AVAILABILITY*

(DOUBLE OCCUPANCY: +\$325/PP)

(SINGLE OCUPANCY: +\$649)

THESE CABANAS ARE JUST STEPS FROM THE BEACH.

Nothing at Ramon's Village is far from the water's edge. Manicured sand pathways leading through lush tropical gardens create a private setting for these cabanas.

## ACCOMODATION

The newly constructed Jungle Deluxe units have been carefully positioned and surrounded by jungle foliage making you feel like yours is the only cabana on the property.

The increased floor space allows for larger showers with bench, larger vanities with granite counter tops, increased luggage and clothes hanging area, in-room refreshment center, upholstered bamboo chairs with table and updated finishes throughout the room.

The individual cabanas are made more spacious by the exposed palm thatched roof in the rooms while the first floor units feature a beautiful Belizean hardwood ceiling.

The Queen room provides two beds which sleep four people.
